

Supplemental Declaration for Amendment Presenting Claims
for Matter Originally Disclosed But Not Originally Substantially
Claimed [37 CFR 1.67]

PATENT APPLICATION

Attorney Docket No.

A0489-US-NP

As a below inventor, I hereby declare that:

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is now claimed and for which a patent is sought on the invention entitled:

**INHALER THAT USES FOCUSED ACOUSTIC WAVES TO DELIVER A PHARMACEUTICAL
PRODUCT**

Application No. **09/740,209** filed in the United States Patent and Trademark Office on **12/18/2000**. The original declaration for this application provides all of the data called for in 37 CFR 1.63.

I hereby declare that the subject matter

☐ of the attached amendment

☒ of the amendment filed on or about **10/24/2006**

was part of my invention of my above identified original application;

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR §1.56(a).

☐ In compliance with this duty there is attached an information disclosure statement and a PTO Form 1449 and copies of all references listed thereon. [37 CFR 1.97].

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
